29th AIPNA-ICP International CME in Pathology 2024

WELCOME ADDRESS

Dear friends and colleagues,

I am delighted to announce the 29th AIPNA-ICP International Pathology CME 2024, hosted by the Department of Histopathology at PGIMER, Chandigarh. This event will take place from 9th to 11th February 2024.

We are privileged to have a star-studded panel of faculty from renowned universities in the USA, who will be joining our superb Indian panel in delivering a wide range of insightful talks. This unique combination promises to offer a wealth of knowledge and expertise to all participants.

In addition, we are proud to provide a dedicated vendor platform, offering an opportunity for interaction with leading manufacturers and suppliers in the field of laboratory equipment and diagnostics. This platform aims to facilitate meaningful collaborations and showcase the latest advancements in technology.

Chandigarh, known for its rich cultural heritage and warm hospitality, eagerly awaits your presence at this prestigious event. We are confident that your participation will contribute towards making this conference a resounding success.

For more information regarding registration and other details, please visit our official website or feel free to reach out to our organizing committee. We will be more than happy to assist you with any queries you may have.

Thank you for your attention, and we look forward to welcoming you at the 29th AIPNA-ICP International Pathology CME 2024.
